Hampton . . . where two worlds met

350 years ago, English settlers came ashore at the Indian village of Kecoughtan and brought to the New World their Old World customs and beliefs. Remembering education as a key to unity and strength, they founded Syms-Eaton Academy, the first public school in the New World. Today, Hampton High School is located where, in those days, the old Stagecoach Road carried travellers from the gaitry of Williamsburg, the colonial capital, to the thriving ports along Hampton's coast.

Pride in this, our heritage, awareness of the challenges in the present, and confidence in the future, lead us to dedicate this, the 1960 KRABBA, to our forefathers, our contemporaries, and our posterity.

COURT HOUSE

## *Administration and Faculty*

The Courthouse — through the years — has housed the offices of those responsible for the growth and development of Hampton.

To us, the Faculty and Administration of Hampton High School presented in these pages stand today as guides to our growth and our development.

When we speak of the Faculty and Administration, we usually think only of teachers and principals. But we should also remember the school board, the office staffs, and other employees who help to make our school more pleasant.

Day by day we came to realize the importance of cooperating with those who helped to mold us into better citizens who someday would lead the nation and the world.

## Parent Teacher Association

For the encouragement and interest that you of the Parent Teachers Association have shown in our programs and projects, we, the students of Hampton High School, thank you.

By helping to make our school and social events more enjoyable, you have made this school year—1959-1960—a time to remember.

OFFICERS: Mrs. Carl Rosen, *Treasurer*; Mrs. G. W. Dunton, *Recording Secretary*; Mrs. Vincent Ewell, *Second Vice-President*; Mrs. Roy Steiner, *President*; Mrs. J. L. Stone, *First Vice-President*; Mrs. George Abbott, *Corresponding Secretary*.

BOARD OF DIRECTORS—SEATED: Mrs. Rosen; Mrs. Dunton; Mrs. Ewell; Mrs. Steiner; Mrs. Stone; Mrs. Abbott; Mrs. E. Wolff, *Recreation Chairman*.  
STANDING: Mrs. Royal Tanner, *Library Chairman*; Mrs. J. M. Eason, *Publicity Chairman*; Mrs. W. P. Smith, *Hospitality Chairman*.

## *Classes*

When we think of Hampton as a city, we picture the ships and harbors that are symbols of this seacoast community.

When we remember Hampton and our high school years, we shall remember the friends who were our classmates, those we knew from early childhood as well as those who joined our class in later years.

Their faces and names may dim in our memories but never to be forgotten are those years we shared together.

## *A Heritage to Share*

Education has played a major role in the affairs of the city of Hampton since its beginning. In the will of Benjamin Syms, read in 1634, there was a provision for the founding of a charity school which marked the establishment of the first free school in America. In 1659 Thomas Eaton made a similar bequest in his will. The two schools, operating separately for many years, combined in 1805 as the Syms-Eaton Academy, on the site of the present Hampton School Division's Administration Building on Cary Street. Hampton offers its citizens a rich heritage in educational history.

Seniors of 1960, you have observed additional Hampton High School history in the making during your years as high school students. You have enjoyed our progress from our former building to the present lovely Hampton High structure you now call your school. You have seen the development of other new Hampton schools and the growth of strong school leaders to administer the privileges of these educational additions to your city.

Take with you the sacred traditions of Hampton and Hampton High School. Take with you the desire to be a continuation of the dynamic leadership and growth your city and school have contributed in the past. Be eager to find your place of service in your community, historical, tradition-laden Hampton, or another community to which you will have the privilege of contributing some results of your fortunate Hampton heritage.

## *Activities*

With an eye to the past, this group is examining old records for facts and data to help in celebrating the 350th Anniversary of the City of Hampton.

We, as students, found that our activities made us look to the future. These gave us opportunities for developing both personality and poise while helping us to grow into adulthood with confidence in our abilities.

By participating in these activities, we discovered new talents and learned to work together for the good of all.

## The S.C.A.

Every student at Hampton High is a member of the school's governing body, the Student Cooperative Association, which sponsors and coordinates all student activities.

Each homeroom sends representatives to the SCA Council, which plans the social projects, dances, and assemblies held during the school year. In cooperation with the Parent-Teacher Association, the SCA presents Career Day and College Night programs.

Since its organization in 1955, the Student Relations Council has been responsible for student support of the honor code rules.

## *Features*

Just as the sun shining through a beautiful window brings light and warmth into a dim interior, so high school's "magic moments" brought novelty to the school routine.

From thrilling proms to the excitement of the Homecoming ceremonies, these are the times we shared and remember.

Then, there were the individual "magic moments" when we were recognized for our personal achievements.

To help us remember and re-live these moments we have this record in our high school yearbook.

## *Sports*

Recreation in the Hampton of 350 years ago was very different from that of today. Then, Hampton's sports were based upon the extensive bodies of water in the community.

Today with our much more varied sports program, we develop both character and physical growth as we engage in team and individual activities.

The sense of fair play which we strengthen through teamwork endures even longer than the physical skill developed through practice.

## Track

The 1959 track season was one of the best experienced by Hampton High School in a long while. The Crabbers won 4 and lost 3 dual meets, took fourth in the Tidewater meet, third in the District and ninth in the State. Under the leadership of Co-Captains James Branscome and Craig Zimmerman, Hampton captured two second places and one third place in the Virginia Pilot Relays.

Craig Zimmerman was the high scorer of the '59 season

with 134 1/6 points. He also set two new school records: 19.9 seconds in the 180-yard low hurdles and 22.6 seconds in the 220-yard dash, set at the Tidewater Meet in Williamsburg. Zimmerman also won the Decathlon held at Wakefield.

Each athlete in this state-wide meet participated in ten events: the shot put, high hurdles, high jump, 440-yard dash, hop-step-jump, discus, 100-yard dash, pole vault, broad jump and mile run.

THE LONG DISTANCE SQUAD—FRONT ROW: Bill Livingston, Wilbur Spencer, Harold Allen, Ronnie Hamilton, Billy Sanchez, Joe Dellapenta, Dean Pittman BACK ROW: Tommy Ruth, Jim Rushing, David Flowers, Charles Seitz, Norman Edwards, Rusty Evans, Manager Bruce Conway.

## Cross Country

The 1959 Cross-Country team established an outstanding record this season under the leadership of Coach Edward Szetela. Charles Seitz and Co-Captains Joe Whitehurst and Dean Pittman were the season's top runners.

Of seven meets, Hampton won four to place fifth in the Eastern District. The Crabbers emerged victorious in meets

with Southampton, Wilson, Granby, Maury and Norview. Princess Anne and old rivals Newport News and Warwick triumphed in hard-run matches.

In the State Meet on November 7, the Crabbers climaxed their successful season by capturing ninth place.

## Golf

Preparations for a golf match begin when the entire team has rigorous elimination matches to narrow the field to the top four, who play in the matches. At any time during the season, a team member may challenge one of the four so that he might wrest a berth on the match squad.

This past season was the first in the golf team's history

that none of the match players—Eason, Wood, Walton, Traynham—were beaten by a teammate.

The golf team this year won six of its nine matches, placed fourth in the Eastern District match and eighth in the State Tournament.

MATCH COMPETITORS: Wade Traynham, Jimmy Eason, Lee Wood, Mike Walton.

## Baseball

Breaking the Eastern District record for the most wins in a season (17), the Hampton High Baseball Team also set a record for double-plays (28) in combinations of Sowers to Harris and Sheppard to Hundley. George Jones set a strike-out record of 96 and Bobby Ball took the Peninsula batting title with an outstanding .435 average. Bob Hundley was named top first baseman in the District.

Five Crabbers made the All-Peninsula team: Hartwell Routten, catcher; George Jones, pitcher; Don Sheppard, second baseman; Bobby Ball, outfielder; Ronnie Sowers, third

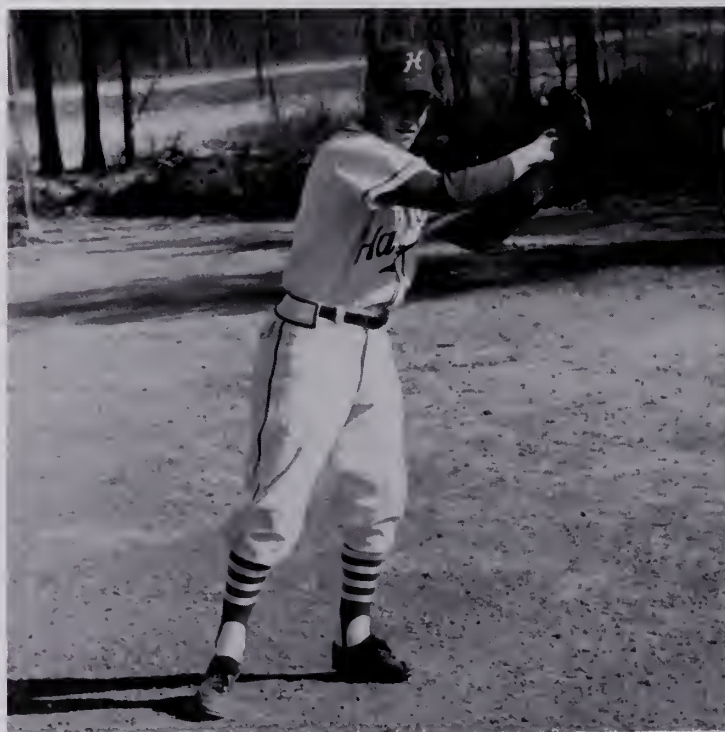

baseman.

Tommy Staples pitched a 2-0 no-hitter in a late season spectacular against James Blair, and another thriller was won by Wilson in the eleventh inning; Warwick won over the Crabbers 1-0 in the twelfth inning. Hampton's only other big threat in the season was Newport News. Against the Typhoons, Hampton won one (5-3), lost one (2-5), and tied one (1-1).

In all other contests Hampton trounced its opponents to end the season ranking second only to the Crabber's 1956 Eastern District winners.

## Varsity Football

Hampton's 1959 football season was ushered in by a 56-0 win over Benedictine. Norfolk Catholic also felt the pinch of the mighty Crabbers with a score of 20-0. Maury was Hampton's next victim by a 21-0 margin. The Crabbers also managed to trounce rugged Princess Anne 14-7.

Undefeated Hampton looked with apprehension towards the meeting with Wilson who had upset the 1958 winning streak, but '59 was a different story—another Crabber victory 20-0. At Oscar Smith, Hampton romped once more to win 27-0. Next, Granby bowed 19-7. Warwick was on hand

for the annual H.H.S. Homecoming ceremonies, and the Crabbers again won 21-12.

With an 8-0 record, Hampton was defeated for the first time when Norview edged out the Red and White 2-0.

Thanksgiving found the old rivals, Hampton and Newport News, together for the traditional Turkey Day Classic. The Typhoons stormed over the Crabbers with a 34-20 win. Hampton, however, finished the season with 8 wins and 2 losses.

In the first game, Hampton defeated Poquoson 19-0, and a 27-6 victory over Newport News climaxed the second contest. The next two games against Warwick and Granby brought the team's only defeats—14-25 and 7-18. Coming back against York, the "Little Red" played a shut-out, 33-0.

Wilson then lost to the J.V.'s, 20-7, and the team rounded off its season with a 31-6 victory over Norfolk Catholic.

Co-Captains for the J.V.'s were John Crigger and Lannie Cordona. High scorers for the season were John Crigger and Bobby Camden, who tied with a score of 30 points, to help bring the team total to 151.

Hampton's Basketball season was a tough and unforgettable experience. The team played their best but it seemed that tough breaks were their undoing. We offer no

In the course of 350 years, from trade with a few Indian tribes to trade with many nations, Hampton has grown and prospered.

The merchants and businessmen represented in the following pages have been largely responsible for Hampton's growth and development.

In the future, with our patronage and support, these firms will continue to enrich the community.

"All right, Luvada, you can pick them up now—no one's looking!"

"Umm . . . wonder how much I could get for this?"

"No, Gloria, I will not go to the dance with you Friday night!"

"You know son, I think you might make it!"

"I don't care how you do it, Bud, but get something down quick!"

## SCHOOL IS NEVER "OUT"

Most students complete their formal education at the age of 17 or 18. For the rest of their lives, they acquire the bulk of their new information and ideas from the "University at their doorstep"—the daily newspaper. And this is the school that is never "out"!

We, the 1960 Krabba Staff, wish to express our appreciation to the following: Messers Cheyne, Farabee, and Whiteed, our photographers; the Varsity Shop; the Virginia State Chamber of Commerce; Mrs. Mary M. Akers, for her cooperation in typing several sections of this book; and the many others, without whose help we would have been unable to publish the 1960 Krabba.
